

BETWEEN DEATH AND LIFE

Conversations with a Spirit

By Dolores Cannon

An internationally acclaimed hypno therapist's guide to past lives, guardian angels and the death experience

This eye-opening book explores the world beyond ours, giving us an insight into the death experience and reincarnation, guides and guardian angels, ghosts and walk-ins. It examines different levels of existence in the spirit realms; the 'Healing Chambers' for the damaged; the schools where you integrate lessons learned on Earth and where you discover the laws of the Universe; how you plan your next incarnation, the lessons to be learned and future karmic relationships before birth.
