

# GOOD VIBES, GOOD LIFE

How Self-Love Is the Key to Unlocking Your Greatness

by Vex King

**A beautifully designed book full of inspiring quotes and tried-and-tested wisdom on using positivity to create a life you love.**

Vex King is leading a revolution for the next generation of spiritual seekers. An online inspiration to hundreds of thousands of people, Vex is a role model for young people seeking a new way of living. Vex beat all the odds of an incredibly difficult childhood - his family were often homeless and he suffered racist abuse in a violent neighbourhood.

Despite these challenges, Vex went on to complete university and thrive in his career. His work brought him into contact with people who started asking him for life advice and Vex began sharing his ideas through

social media. His positive and encouraging posts very quickly began to attract a highly engaged following who related to his messages and looked to Vex for guidance.
