

MANY LIVES MANY MASTERS

The True Story of a Prominent Psychiatrist His Young Patient
and the Past-Life Therapy That Changed Both Their Lives
by Brian L Weiss MD

From author and psychotherapist Dr Brian Weiss comes the classic bestseller on the true case of the past-life therapy that changed the lives of both the prominent psychiatrist and young patient involved.

As a traditional psychotherapist, Dr Brian Weiss was astonished and sceptical when one of his patients began recalling past-life traumas that seemed to hold the key to her recurring nightmares and anxiety attacks.

His scepticism was eroded, however, when she began to channel messages from the “space between lives” which contained remarkable revelations about Dr Weiss’s family and his dead son. Using past-life therapy, he was able to cure the patient and embark on a new, more meaningful phase of his own career
